PROFILE

I love the web and I want to do everything I can to make it beautiful, usable and accessible. I have a passion for typography

EXPERIENCE

Senior Designer, Webstop: Tampa, FL — 2010 - Current

As senior designer at Webstop, Inc., I'm responsible for the design and front-end development of new client sites and redesigns as well as weekly updates and maintenance for all of our clients.

Some recent site designs that I've been responsible for include:

<http://www.molliestones.com>

<http://www.wilsallgeneralstore.com>

<http://blog.molliestones.com>

<http://www.leesmarketplace.com>

<http://120.core.webstophq.com>

Freelance Designer: Tampa, FL — 2006 - Current

I have been working as a freelance designer for four years. I specialize in user interfaces, posters and apparel design. For work samples, please visit <http://www.pixelmodernndesign.com>.

Document and Content Coordinator, WellCare Inc.: Tampa, FL — 2007 - 2010

As a Document and Content Coordinator for the customer service division, I'm responsible for writing reference documents and technical instructions for customer service phone representatives, in accordance with established WellCare policies and procedures.
